| AAD | Model: | | Manufacturer: | |
| | Serial number: | | Date of manufacture: | |
| | Date of next calibration: | | Battery change: | |

The above items have been examined with the following comments: _____

In the personal opinion of the inspector, the equipment at the time of the examination was considered to be safe for further usage. Whilst the equipment has been inspected with all reasonable care, the opinion expressed by the inspector does not give or imply a guarantee that the equipment is free from defects other than identified above. The next inspection is due within a maximum of 6 (six) calendar months from the above date.
